

Director, Supply Chain Management New Construction

Building a Future – Be Part of a Winning Team

**Vancouver Shipyards,
North Vancouver, BC**

Experience, expertise and technology: that is what Vancouver Shipyards Co. Ltd.—a member of Seaspan Marine Corporation—brings to the marine industry in the design, new construction and repair of all types and sizes of vessels.

In this new role, you will be responsible for identification, negotiation and effectiveness of all supplier contracts. In support of New Vessel Construction, you will be responsible for sourcing, procurement and supply chain strategies and execution, and will be a key contributor to the overall financial success of the projects. You will lead the complex, integrated planning and execution of supplier contracts and deliverables for simultaneous projects. You will be accountable for monitoring suppliers and service providers to ensure quality and compliance with set standards.

Competencies required:

- 10+ years of experience in procurement in the shipbuilding or ship repair industry supplemented by 5+ years leadership experience in supply chain.
- Strong technical education in Engineering or similar is essential to the role. Further specialization in Project Management or Supply Chain through designations in PMP, CPM, SCMP or CPIM is highly desirable.
- Proven experience in managing a disciplined vendor soliciting and evaluation program.
- Exceptional communication and influencing skills and ability to work effectively across the organization.
- Proven track record of building, motivating and leading large teams is essential.

Please submit your résumé and covering letter to: shipyardcareers@seaspan.com. While we thank all applicants for their interest, only those selected for an interview will be contacted.

Seaspan is committed to fostering a culture that values diversity and invites applications from all qualified individuals, including those designated under employment equity.

Safety • Efficiency • Care • Accountability

Seaspan Marine Corporation is looking for talented people. We're making Canadian history and taking West Coast shipbuilding to new heights. We've been building ships in Vancouver since 1902, and now we're sharing our passion with a new generation of shipbuilders of non-combat vessels.
