## Building a Future – Be Part of a Winning Team

### Vancouver Shipyards, North Vancouver, BC

Experience, expertise and technology: that is what Lower Mainland Shipyards—a member of the Seaspan Marine Corporation—brings to the marine industry in the design, construction and repair of all types and sizes of vessels.

Reporting to the Commercial Manager, you will be accountable for the preparation of labour and material estimates for bid/tender inquiries received by either Vancouver Drydock or Vancouver Shipyards. Inquiries will be from internal (Seaspan Marine) and external customers for drydocking, ship maintenance, repair, conversions and new construction and will include detailed or outline specifications, drawings, sketches, and/or verbal instructions. In this role, you will also be responsible for bid preparation for submission to owners and for bid analysis of past contracts. Your knowledge of the ship repair and shipbuilding industry and familiarity with shipyard trades, coupled with your ability to interpret specifications, drawing, sketches or verbal instructions to create accurate estimates in a timely manner, will become the measure of your success.

Competencies required:

- A diploma or degree in naval architecture or engineering
- 10 years' experience in the marine industry with increasing responsibility
- Excellent communication skills in the English language, both verbal and written, including knowledge of correct marine terminology
- A strong customer service orientation and outstanding interpersonal skills
- Above average analytical, mathematical, problem-solving, decision-making and negotiation skills
- The ability to read technical drawings and interpret contract requirements
- Knowledge of the rules and regulations of the marine industry
- Exceptional time management skills and the ability to meet strict deadlines

**Please submit your résumé together with a covering letter to [hrsea@seaspan.com](mailto:hrsea@seaspan.com). While we thank all applicants for their interest, only those selected for an interview will be contacted.**

*Seaspan is committed to fostering a culture that values diversity and invites applications from all qualified individuals, including those designated under employment equity.*

### Safety • Efficiency • Care • Accountability

Seaspan Marine Corporation is looking for talented people. We're making Canadian history and taking West Coast shipbuilding to new heights. We've been building ships in Vancouver since 1902, and now we're sharing our passion with a new generation of shipbuilders of non-combat vessels.
