

Security Supervisor

Building a Future – Be Part of a Winning Team

Victoria, BC

Experience, expertise and technology: that is what Victoria Shipyards (VSL)—a member of the Seaspan Marine Corporation—brings to the marine industry in the design, construction and repair of all types and sizes of vessels.

Bring your knowledge of effective security practices to a role that demands initiative, creativity and integrity.

Working closely with staff in senior operations and project management, you will be responsible for developing, planning, implementing and maintaining security for Victoria Shipyards. This includes government security initiatives included under the Canadian Industrial Security program, Controlled Goods Directorate and Transport Canada legislation, and, as a result, you will ensure staff and contractors have appropriate security clearance to work within Victoria Shipyards and on specific projects and programs. You will also liaise with senior, operations and project management to ensure the shipyard's physical security standards are met and maintained.

You have 6 - 7 years of security experience, preferably with a federally regulated employer or a federal agency, which includes 3 years in a supervisory role. An excellent communicator with a strong customer service focus, you have a proven ability to multi-task, prioritize and problem solve and are known for accurate and thorough record keeping and report writing.

In addition, you have a strong security background where you have built a knowledge of electronic security monitoring, access control, surveillance, master key systems, loss prevention, perimeter control, security auditing, ISPS code and federal regulations.

You also have the flexibility to work evenings, weekends, holidays and on call.

The compensation and benefits package is competitive.

Please submit your résumé together with a covering letter, quoting job number 120104, by February 15, 2012 to vs1hr@seaspan.com. While we thank all applicants for their interest, only those selected for an interview will be contacted.

Seaspan is committed to fostering a culture that values diversity and invites applications from all qualified individuals, including those designated under employment equity.

Safety • Efficiency • Care • Accountability

Seaspan Marine Corporation is looking for talented people. We're making Canadian history and taking West Coast shipbuilding to new heights. We've been building ships in Vancouver since 1902, and now we're sharing our passion with a new generation of shipbuilders of non-combat vessels.
