

Vice President, Program Management

Building a Future – Be Part of a Winning Team

Vancouver Shipyards, North Vancouver, BC

Experience, expertise and technology: that is what Vancouver Shipyards Co. Ltd.—a member of Seaspan Marine Corporation—brings to the marine industry in the design, new construction and repair of all types and sizes of vessels.

Reporting to the President of Seaspan Shipyards, this key position is responsible for all aspects of the Federal Fleet Renewal Program. You will be directly responsible for overall profitability of the projects and part of the senior leadership team. Multiple initiatives will simultaneously need your leadership and direction; from modernizing the shipyard, designing and planning new vessel construction to MRP systems implementation—the complexities of this role are endless. Your experience leading the development of large capital projects and implementation of new project/program management controls and systems is key. You have a leader's attitude, ability to assemble, manage and motivate a large team, and you possess strong relationship skills with internal as well as external clients and stakeholders.

Competencies required:

- 15+ years of experience coupled with a strong technical background in the shipbuilding industry, most recently in a Director or Executive level role.
- Educational background includes Naval Architecture or Marine Engineering supplemented with business or management. Master's degree preferred.
- Ability to manage complex, simultaneous large projects, teams and improvement initiatives in an engineering-to-order environment.
- Ability to lead, motivate, take initiative and prioritize is key to your success.
- Experience leading large capital expenditure projects, government contract administration procedures, Earned Value Management Systems (EVMS), MRP systems, scheduling and resource planning.

Please submit your résumé and covering letter to: shipyardcareers@seaspan.com. While we thank all applicants for their interest, only those selected for an interview will be contacted.

Seaspan is committed to fostering a culture that values diversity and invites applications from all qualified individuals, including those designated under employment equity.

Safety • Efficiency • Care • Accountability

Seaspan Marine Corporation is looking for talented people. We're making Canadian history and taking West Coast shipbuilding to new heights. We've been building ships in Vancouver since 1902, and now we're sharing our passion with a new generation of shipbuilders of non-combat vessels.
