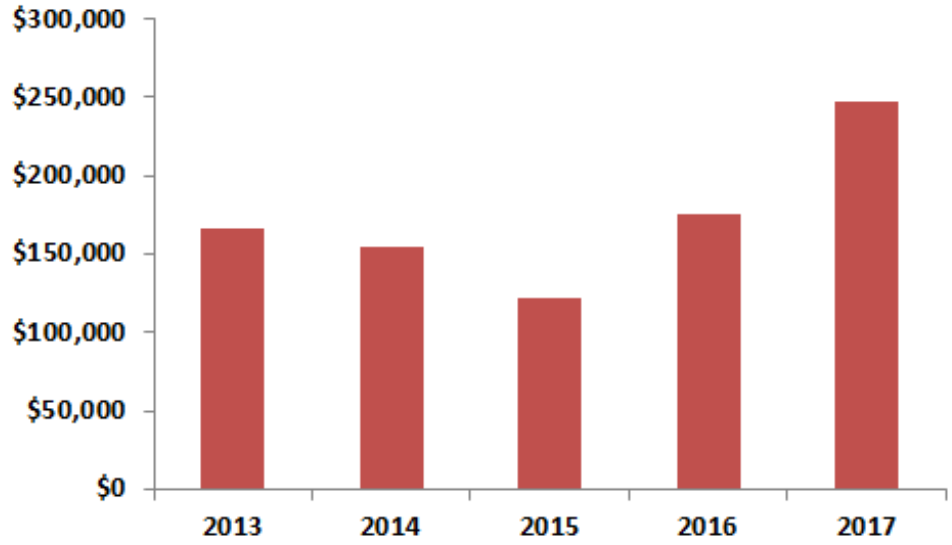
seaspan
CARE FOR COMMUNITY
QUARTERLY REPORT
December 31, 2017
SEASPAN RAVEN
VANCOUVER B.C.

Seaspan is committed to contributing to humanitarian causes in the community and makes corporate responsibility a priority. Seaspan makes investments in people and youth to help them improve the quality of their lives and is committed to ensuring the long term conservation of Canadian Oceans and the environment. Seaspan adheres to strict corporate giving criteria which align with the Company's Core Values: Local, Marine-related, Customer Alignment and Children and Youth.

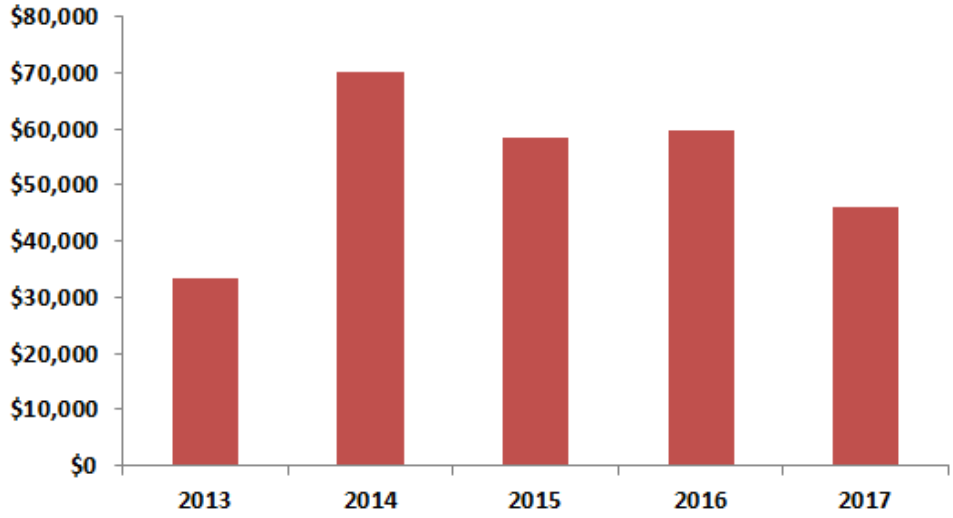
Over the years we have made significant contributions to various non-profit organizations within our communities:

Community Involvement



2013:	$166,640
2014:	$154,592
2015:	$122,000
2016:	$175,664
2017:	$247,114

Business/Conference Sponsorships



2013:	$33,240
2014:	$70,000
2015:	$58,400
2016:	$59,775
2017:	$46,000

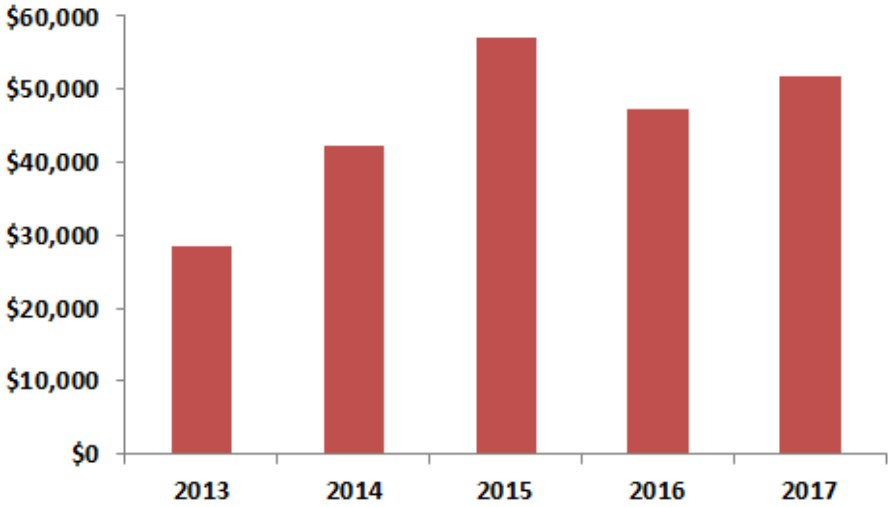
Seaspan is also proud to provide in-kind support to:

- Boys & Girls Club of BC
- Honda Celebration of Lights
- Canada Day at Canada Place
- Symphony Splash
- Food Donations to Harvest Project and the Grouse Mountain Grizzly Bears

Seaspan recognizes that we operate our shipyards on the traditional land of the Coast Salish people both in North Vancouver and on Vancouver Island. As a good neighbour, it is our goal to foster relationships with First Nations in our communities. Over the years, we have developed strong business ties withthe Squamish, Tsleil Waututh, Haisla, Songhees, Esquimalt, Snuneymuxw and Old Masset First Nations.

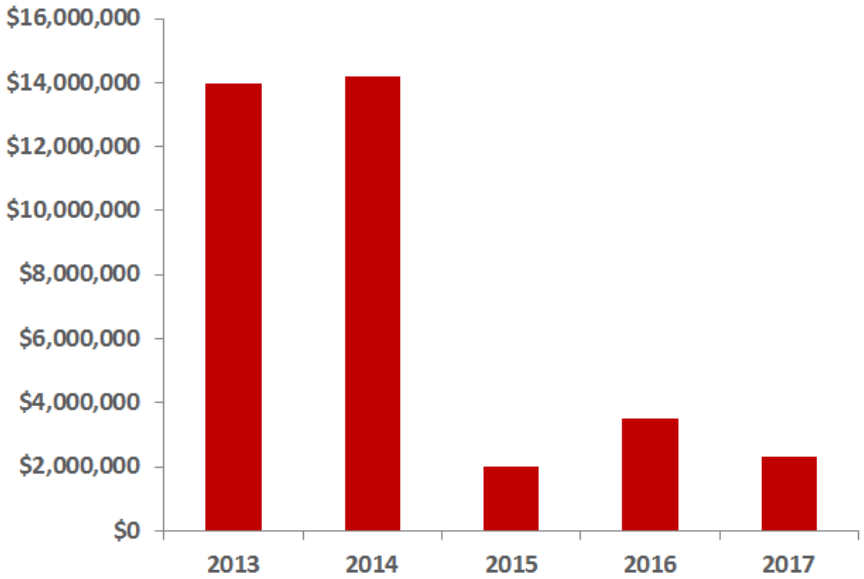
Seaspan is a partner in AMTEP (Aboriginal Marine Training to Employment Partnership), with ACCESS (Aboriginal Community Career Employment Services Society) and CSETS (Coast Salish Employment and Training Society), to support job training, apprenticeship programs and promote employment opportunities for Aboriginal people.

First Nations Community Support



2013:	$28,500
2014:	$42,140
2015:	$57,100
2016:	$47,235
2017:	$51,750

Spend with First Nations Businesses



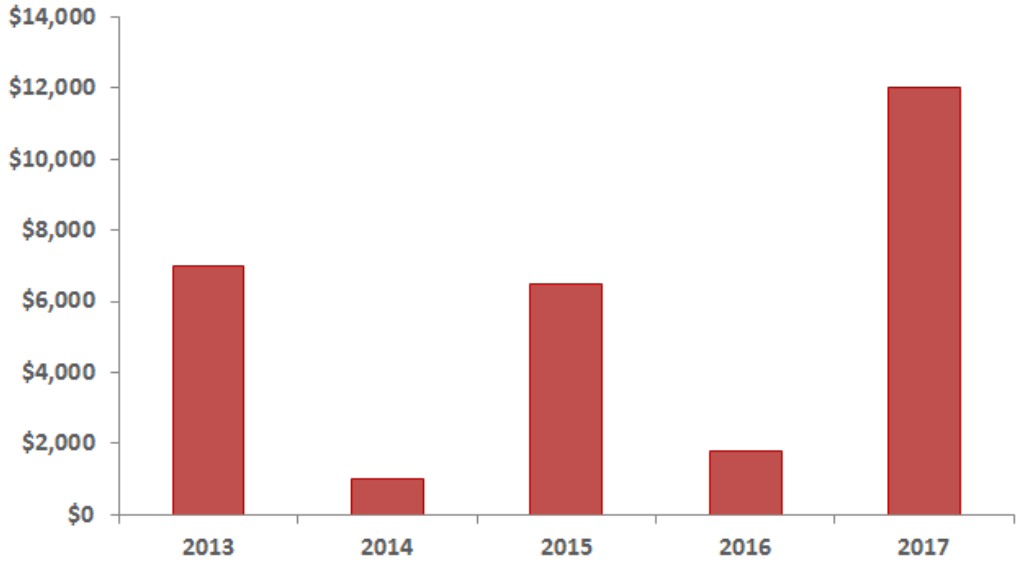
2013:	$13,988,000
2014:	$14,200,000
2015:	$2,026,000
2016:	$3,800,000
2017:	$2,300,000

Items of note:

- In 2015, Seaspan signed an MOU with the Aboriginal Marine Training to Employment Partnership (AMTEP) to support ACCESS and CSETS ($1.9M in direct employment costs and $434K to support apprentice and deckhand training, administration and mentoring. We continue to work very closely with ACCESS and CSETS
- Through the AMTEP partnership Seaspan has hired 8 apprentices of First Nations heritage.
- In 2017 we participated in the Tseil-Waututh and ACCESS Career Fairs and a number of ACCESS Graduation Ceremonies to celebrate successes.

At Seaspan, we believe in acting local and take great pride in our Core Values of Care and Safety for the environment and the habitat around us in the communities we serve. Over the years, we have supported a number of environmental programs both financially, with our employees and by introducing new practices in our businesses:

Environmental Donations/Sponsorships



2013:	$7,000
2014:	$1,000
2015:	$6,500
2016:	$1,800
2017:	$12,000

Items of note:

- In 2017, Seaspan received the ACPA Medal of Merit for ongoing Sustainability & Community Initiatives
- In 2017, Seaspsan participated in the three-month long Haro Strait Vessel Slowdown Trial as part of the Vancouver Fraser Port Authority's Enhancing Cetacean Habitat and Observation (ECHO) Program which studied the relationship between vessel speed and underwater noise and the impacts on the Southern Resident Killer Whales.
- Through the Green Marine Program, Seaspan continues to advance and report publicly on its performance in important environmental areas including Air Emissions, Waste Management, Community and Leadership.
- Great Canadian Shoreline Cleanup – Every year Seaspan employees participate in this event in Vancouver and Victoria. In 2017, over 60 employees removed over 60lbs of waste from our shoreline at Fort Rodd Hill and 5 truckloads of waste from under the Lions Gate Bridge.
- Bike to Work Week in 2017 over 150 Seaspan employees riding to work in Victoria and Vancouver, together riding over 9,200 km and eliminating over 2.0 Metric Tonnes of carbon emissions. Seaspan also sponsored a community bike station in North Vancouver where bicycle commuters stopped in for a snack and bike tune up.
- The successful Seaspan supported MacKay Creek Estuary ecosystem restoration has resulted in the return of salmon (coho) observed in the creek in 2015, 2016 and 2017 as well as increased natural vegetation and habitation by birds and other wildlife.

As a way to demonstrate our Core Value of Care, Seaspan employees support local charities. Seaspan has long been a supporter of the United Way, and in 2015, the BC SPCA and BC Children's Hospital Foundation were added to Seaspan's Employee Giving Program.

United Way

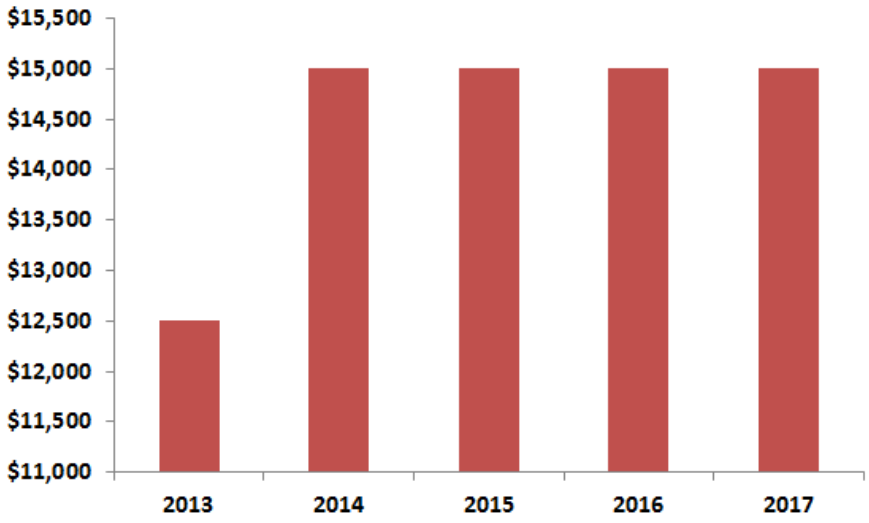
2014	$8,000	20
2015	$8,000	20
2016	$13,200	34
2017	$10,400	26

Scholarship Program

In 2005, we introduced the Seaspan scholarship program which supports the children and grandchildren of Seaspan employees to achieve their post-secondary educational goals.



2013: $12,500
2014: $15,000
2015: $15,000
2016: $15,000
2017: $15,000

In conjunction with Seaspan, the Dennis and Phyllis Washington Foundation announced the following commitments:

Announced in 2013

- Sail and Life Training Society (SALTS) — $100,000 x 5 years
- Vancouver Maritime Museum — $100,000 x 3 years
- Royal Canadian Marine Search & Rescue — $100,000 x 3 years

Announced in 2016

- Camosun College — $100,000 x 3 years
- BCIT — $100,000 x 3 years
- CWA Foundation — $100,000 x 3 years

Announced in 2017

- University of Victoria — $1,000,000

In June 2016, Seaspan announced a $2 million investment by Seaspan to support innovative teaching and research for the Naval Architecture and Marine Engineering programs at the University of British Columbia (UBC)'s Faculty of Applied Science. The investment is a direct result of Seaspan's Value proposition obligations under the NSS.
